Sri V.S. Lad of Sandur has applied for the grant of a prospecting licence for oxides of iron and manganese ores over an extent of 1000 acres in S.No.107 of Nagalapur village of Hospet Taluk for a period of two years and has remitted Rs.60/- towards application fee.

pp 3-4 Ques

The Collector of Bellary in his letter cited above (copy enclosed) has reported that the area applied for is classified as Gunda Reserve Forest under the control of the Forest Department and that the District Forest Officer, Bellary has objected to the grant of the area in question as it is required for the purposes of cattle grazing in drought periods and has accordingly recommended rejection of the application. I endorse the recommendation of the Collector and suggest that the application fee of Rs.60/- remitted by the applicant be ordered to be refunded.

Copy of the letter Roc. No. 3979/52/A.12 dated 4-1-1953 from the Collector, Bellary addressed to the Secretary to Government, Development Department, Fort St. George, Madras through the Director of Industries and Commerce, Madras.

Sub: Mining - prospecting licence - Hospet Taluk - Nagalapur village S.No.107 R.F. - extent 1000 acres - application of Sri V.S. Lad of Sandur - report - submitted.

Sri V.S. Lad of Sandur has applied for the grant of a prospecting licence for a period of two years to prospect for iron, oxides of iron and manganese ores an extent of 1000 acres in S.No.107 of Nagalapur village in Hospet Taluk. He has remitted the application fee of Rs.60/- in chalan No. 281 dated 21-3-1952 and 88 dated 21-3-1952 as required by the Mineral Concession Rules 1949.

The area applied for by the applicant is classified as gunda Reserve Forest under the control of the Forest Department. The District Forest Officer, Bellary does not recommend as the area applied for by Sri V.S. Lad for mining operations as it is required for conducting hay operations during seasons of drought. The Tahsildar Hospet has reported that the area applied for serves the purpose of a grazing ground to the cattle of the adjoining villages in normal times and in drought years it was useful for supplying grass to scarcity areas in and out of the district. The Tahsildar is therefore of opinion that the areas is indispensable for local cattle and for the cattle in and outside the District during seasons of drought. The Assistant Collector Hospet is also of the opinion that the area need not be leased out for mining operations.

The applicant hasapplied for the renewal of his Certificate of approval for the year 1953 and has also produced an Income Tax clearance Certificate issued by the Income Tax Officer, Bellary.

p.t.o.

In the above circumstances I recommend that the prospecting licence application of Sri V.S. Lad may be rejected, as thearea applied for by him is indispensible for cattle for grazing purposes and thus not available for mining operations. (R)

His application, the two chalans for Rs.60/- a copy of the sketch showing the area applied for and an income tax clearance Certificate produced by the applicant are enclosed. (S)
